Data supplied on this form and information about DofE activities recorded in eDofE will be used by the DofE Charity, the participant's Operating Authority and DofE centre to monitor and manage DofE participation and progress. All contact from the DofE Charity using personal data will communicate useful and relevant information to either help participants complete a DofE programme, Leaders/OAs to run DofE programmes more effectively or help the DofE Charity improve the quality and breadth of its programmes. All contact will be via the eDofE messaging system. Participants can choose to receive this information to an external email account or by post using the *personal preferences* section in eDofE. These preferences can be updated at any time.

Given the scope and breadth of DofE programmes, participants may undertake activities that are not directly managed or organised by their centre or Operating Authority. In such cases, parents and guardians of those under 18 are informed that it is their responsibility to ensure the activity is appropriately managed and insured.
