Kings' School would like to introduce its new collapsible lunch container and complimentary cutlery set. The idea is that you bring along your collapsible lunch box (or alternative box from home) and we use these to replace the polystyrene boxes, cutting down on waste and becoming more eco-friendly!

The collapsible containers come in a variety of colours. You can pick from green, pink or blue. They are also dishwasher and microwave safe and BPA free.

These can be purchased from school or online on our Uniform Shop website for a fantastic price of just £3.50.

The boxes will fold away until you need to use them, then just unclip, pop up, eat your lunch, collapse away again and take home to be washed once finished!

**£3.50**

Launching on the 16<sup>th</sup> April, pre-orders can be placed from Friday 23<sup>rd</sup> March 2018 and picked up at the start of the new term.
