HEADTEACHER - MR. MATTHEW LEEMING, B.A.(Hons), M.Sc(Eng)

2nd June 2020

Dear Parent/Guardian,

Due to the current situation we will be unable to open the uniform shop for shopping in person for the foreseeable future. We are sure that the school will be open in September, although exactly how that will work for all the year groups will become clearer nearer the time. In the meantime, parents needing to purchase uniform can do so using our online system only. We will be setting up click and collect days on Mondays and Tuesdays during June and July where you will be able to collect your online orders.

The last collection day will be Tuesday 21st July and after this we will be closed for online orders until September.

Our click and collect days are as follows:

Monday 22nd June 11-2pm C1 community centre

Tuesday 23rd June 11-2pm C1 community centre

Monday 29th June 11-2pm C1 Community centre Tuesday

30th June 11-2pm C1 Community centre

Monday 6th July New year 7 at pre-booked times only

Tuesday 7th July New year 7 at pre-booked times only

Monday 13th July New year 7 at pre-booked times only

Tuesday 14th July New year 7 at pre-booked times only

Monday 20th July 11-2 C1 Community centre

Tuesday 21st July 11-2pm C1 Community centre

A link will be sent to all new year 7 parents to book collection slots on one of the above dates.

It is likely that there will be a supermarket style queue for your collection, so we must request that you fully maintain social distancing. **Please allow 14 days from ordering to collection.**

All information about the uniform can be found on our website in the parents' area. We have also added measuring guides to help with your ordering <https://www.kingswinchester.hants.sch.uk/parents-area/uniform/>.

You will be able to exchange any items by emailing d.lawless@kings-winchester.hants.sch.uk and arranging a time for exchange. We ask that wherever possible refund and/or returns wait until September.

New year 7's are still able to order house polo's by ordering the plain one online and this will be changed to the correct house when collecting.

If you're an existing parent and your uniform need is not urgent it would be helpful if you could wait until the school re-opens in September. We will keep you informed on the arrangements for the uniform shop opening at the start of term.

We apologise for any inconvenience caused by the current restrictions and we thank you for your patience during this time.

Kind regards

Donna Lawless

Kings' Uniform Shop Administrator
