

Kings' School

Careers, Employability & Enterprise Programme 20/21

A unique careers experience is provided for every Kings' pupil, tailored to meet individual needs and achieved through a variety of initiatives run from Year 7 to Year 11:

All pupils are able to access:

- **Careers through the Curriculum**
- **A dedicated Careers Hub with up to date resources and on-line packages**
- **Careers Advice and Guidance lunchtime drop-in sessions**
- **Careers Companion Website**
- **Careers & Employability Virtual Fair**
- **National Careers/Apprenticeship Weeks**
- **Alumni Resources**
- **Aspire Careers Programme:** sector specific talks to raise awareness of and aspirations for the current and future array of career sectors and job roles in the local, national and global labour market.
