

Kings' School, Winchester

“An exceptional school” – OFSTED, 2014

Teacher of Science

Permanent Full-time

Teacher Range MPR/UPR dependent on previous experience

We are looking for a well-qualified and enthusiastic teacher to join our Science team on a full-time basis. The successful candidate will be expected to teach Science to pupils of all abilities and ages and also to contribute towards the wider life of the school. We welcome applications from both newly qualified and more experienced teachers.

We are committed to appointing only the most inspirational teachers. Our teachers routinely deliver great lessons which are well-planned, highly challenging, innovative and active for our pupils. The successful applicant must be prepared to share their practice with colleagues and fully contribute to our in-house programme of continuing professional development.

We are a happy and ambitious school, excited about the future of education and determined to remain “outstanding”. If you are an imaginative and energetic practitioner and want to make a difference to the life-chances of all the pupils in your care then this could be the post for you.

The ability to converse at ease with pupils and the public and provide advice in accurate spoken English is essential for this post, to be assessed at interview.

We are absolutely committed to safeguarding our children and our recruitment procedures are rigorous in this respect. This post will require an Enhanced check by the Disclosure and Barring Service and, where appropriate, checks against the NCTL teacher prohibition list.

To apply, please visit the school website where you can download the application form. Complete and return it to the school together with a covering letter and an up-to-date CV. Any queries please contact Joanna Keay on kings.school@kings-winchester.hants.sch.uk

Closing Date: Tuesday 24th September 2019

Interview Date: TBC

Start Date: January 2020
